RIGHT PERSON, RIGHT PLACE, RIGHT TIME

The world as we know it today is always connected. It’s never been a better time for marketers to reach the right person, at the right place, with the right message. Deliver a 360-degree consumer experience with these three tips.

MULTI-TOUCH ATTRAITION
(MTA)

Human beings are COMPLEX INDIVIDUALS, and so is the CUSTOMER JOURNEY PATH.

Although you know YOUR IDEAL CUSTOMER better than anyone, THERE’S NO EASY WAY TO KNOW EXACTLY WHICH COMBINATION of creative, landing page, call-to-action, offer, etc., WILL GIVE CONVERSIONS IN JUST ONE STEP.

Combine display with OTHER COORDINATED, PERSONALIZED TOUCHPOINTS throughout the funnel.

GATHER DATA FROM MULTIPLE SOURCES

Too often, marketers make the mistake of ONLY LOOKING AT ONE DATA SOURCE to determine their strategies.

For example, Google analytics (GA) while valuable, can’t possibly give you A WELL-ROUNDED ANALYTICAL VIEW of your entire digital marketing plan.

Combine your CHOOZLE INSIGHTS with social data, where available, and OTHER METRICS specific to your strategy to get the big picture of what’s working and what’s not.

EMBRACE MULTI-SCREEN & OOH OPPORTUNITIES

Although still up-and-coming, things like connected TV, voice, and programmatic audio ads are WORTH THE EXPLORATION.

If it means you’ll be able to deliver RELEVANT AND TIMELY ADS to your target market, it might be WORTH THE EXTRA MEDIA SPEND to test them out.

This will ensure you’re MEETING YOUR TARGET’S UNIQUE NEEDS AND EXPECTATIONS both on and off-screen.
